CATÁLOGO / CATALOGUE Nº 35

SOHER®

En 1942, D. Vicente Simó Iborra, empresario de reconocido carácter emprendedor, fundó la firma SOHER. Ya desde sus principios, SOHER ha dedicado todo su saber hacer al diseño y fabricación de elementos artísticos en bronce.

Con el paso de los años, y con el esfuerzo e inquietud por la superación de un equipo de artesanos y artistas, SOHER ha creado la esencia que permanece viva, transmitiéndose ésta a las generaciones venideras.

In 1942, Mr. Vicente Simó Iborra, a businessman with well-known enterprising character, founded the company SOHER. Since its beginning, SOHER has devoted all its Knowhow to the design and production of artistic bronze pieces.

With the passing years, and with the craftsmen and artists team's effort and the ability of a constant improvement, SOHER has created the essence that remains alive, passed on the future generations.

В 1942 году предприимчивый промышленник Висенте Симо Иборра основал компанию СОЭР.

С самого своего основания СОЭР посвятил весь свой потенциал созданию и производству художественных изделий из бронзы. По прошествии лет, усилиями и упорством команды мастеров и скульпторов, СОЭР создал традицию марки, которая живёт и передаётся из поколения в поколение.

Por las manos artesanas de nuestros artistas, lo que nace siendo un puñado de barro se convertirá en una obra maestra en bronce, manteniéndose a través del tiempo el arte que SOHER crea en todas sus piezas.

The hands of our artists are converting a handful of clay into a master piece of bronze, which will keep throughout time the art that SOHER creates in all its pieces.

В умелых руках наших скульпторов глина превращается в шедевр из бронзы, несущий сквозь время частичку искусства, который СОЭР вкладывает в каждое из своих изделий.

Los detalles mas destacados en todas nuestras piezas, la fundición en bronce, el artístico cincelado a mano, y el cuidadoso acabado bañado en Oro de 24 quilates avalan la garantía de calidad y el reconocimiento internacional que nuestros productos obtienen en los cinco continentes.

The most outstanding details in all our pieces, the bronze casting, artistic engravings, and a careful 24kt gold plated finish guarantee the quality and the international recognition that all our products are receiving worldwide

Утончённые декоративные детали, настоящее бронзовое литьё, высокохудожественная ручная работа чеканщика и отделка 24-каратным золотом гарантируют качество, а вместе с ним и международное признание, которое снискала наша продукция на пяти континентах.
